§21.03 Selected special calls—duties of foreign brokers, domestic and foreign traders, futures commission merchants, introducing brokers, and contract markets.

(a) For purposes of this section, the term "accounts of a futures commission merchant or foreign broker" means all open contracts and transactions in futures and options on the records of the futures commission merchant or foreign broker; the term "beneficial interest" means having or sharing in any rights, obligations or financial interest in any futures or options account; the term "customer" means any futures commission merchant, introducing broker, foreign broker, or trader for whom a futures commission merchant makes or causes to be made a futures or options contract. Paragraphs (e), (g) and (h) of this section shall not apply to any futures commission merchant or customer whose books and records are open at all

times to inspection in the United States by any representative of the Commission.

(b) It shall be unlawful for a futures commission merchant to open a futures or options account or to effect transactions in futures or options contracts for an existing account, or for an introducing broker to introduce such an account, for any customer for whom the futures commission merchant or introducing broker is required to provide the explanation provided for in §15.05(c) of this chapter until the futures commission merchant or introducing broker has explained fully to the customer, in any manner the futures commission merchant or introducing broker deems appropriate, the provisions of this section.

(c) Upon a determination by the Commission that information concerning accounts may be relevant information in enabling the Commission to determine whether the threat of a market manipulation, corner, squeeze, or other market disorder exists in any contract market, the Commission may issue a call for information from a futures commission merchant or customer pursuant to the provisions of this section.

(d) In the event the call is issued to a foreign broker or foreign trader, its agent, designated pursuant to §15.05 of this chapter, shall, if directed, promptly transmit calls made by the Commission pursuant to this section by telex or a similarly expeditious means of communication.

(e) The futures commission merchant, introducing broker, or customer to whom the special call is issued must provide to the Commission the information specified below for the commodity, contract market, and delivery months or option expiration dates named in the call. Such information shall be filed at the place and within the time specified by the Commission.

(1) For each account of a futures commission merchant, introducing broker, or foreign broker, including those accounts in the name of the futures commission merchant or foreign broker, on the dates specified in the call issued pursuant to this section, a futures commission merchant, introducing broker, or foreign broker shall

provide the Commission with the following information:

(i) The name and address of the person in whose name the account is carried or introduced and, if the person is not an individual, the name of the individual to contact regarding the account;

(ii) The total open futures and options contracts in the account;

(iii) The number of futures contracts against which delivery notices have been issued or received and the number against which exchanges of futures for cash have been transacted during the period of time specified in the call;

(iv) Whether the account is carried for and in the name of another futures commission merchant or foreign broker; and

(v) For the accounts which are not carried for and in the name of another futures commission merchant, introducing broker, or foreign broker, the name and address of any other person who controls the trading of the account, and the name and address of any person who has a ten percent or more beneficial interest in the account.

(2) Each trader shall provide the Commission with the following information:

(i) The total open futures and options contracts owned or controlled on the dates specified in the call;

(ii) The name and address of any person having a ten percent or more beneficial interest in the open futures or options contracts reported pursuant to this paragraph;

(iii) The name and address of any other person who controls the trading of the open futures or options contracts reported pursuant to this paragraph; and

(iv) The cash commodity transaction and position information required to be maintained pursuant to § 18.05 of this chapter as specified in the call which relates to futures or options positions of the trader in the United States.

(f) If the Commission has reason to believe that a futures commission merchant or customer has not responded as required to a call made pursuant to this section, the Commission in writing may inform the contract market specified in the call and that contract market shall prohibit the execution of, and

no futures commission merchant, introducing broker, or foreign broker shall accept an order for, trades on the contract market and in the months or expiration dates specified in the call for or on behalf of the futures commission merchant or customer named in the call, unless such trades offset existing open contracts of such futures commission merchant or customer.

(g) Any futures commission merchant or customer named in a special call that believes he or she is or may be adversely affected or aggrieved by action taken by the Commission under paragraph (f) shall have the opportunity for a prompt hearing after the Commission acts. That person may immediately present in writing to the Commission for its consideration any comments or arguments concerning the Commission's action and may present for Commission consideration any documentary or other evidence that person deems appropriate. Upon request, the Commission may, in its discretion, determine that an oral hearing be conducted to permit the further presentation of information and views concerning any matters by any or all such persons. The oral hearing may be held before the Commission or any person designated by the Commission, which person shall cause all evidence to be reduced to writing and forthwith transmit the same and a recommended decision to the Commission. The Commission's directive under paragraph (f) of this section shall remain in effect unless and until modified or withdrawn by the Commission.

(h) If, during the course of or after the Commission acts pursuant to paragraph (f), the Commission determines that it is appropriate to undertake a proceeding pursuant to section 6(c) of the Commodity Exchange Act, 7 U.S.C. 9 and 15, the Commission shall issue a complaint in accordance with the requirements of section 6(c), and, upon further determination by the Commission that the conditions described in § 21.03(c) still exist, a hearing pursuant to section 6(c) of the Act shall commence no later than five business days after service of the complaint. In the event the futures commission merchant or customer served with the complaint under section 6(c) has, prior

to the commencement of the section 6(c) hearing, sought a hearing pursuant to paragraph (g) above and the Commission has determined to accord him such a hearing, the two hearings shall be conducted simultaneously. Nothing in this section shall preclude the Commission from taking other appropriate action under the Commodity Exchange Act or the Commission's Rules, including action under section 6(c) of the Act, regardless of whether the conditions described in §21.03(c) still exist, and no ruling issued in the course of a hearing pursuant to paragraph (g) or this paragraph shall constitute an estoppel against the Commission in any other action.
